## Visit to November Selection: The St. Luke N.E.W. Life Center

100 Women Who Care Genesee County Chapter Founder Melissa Schummer and member Mary Ellen Fox visited the November selection: The St. Luke N.E.W. Life center December 23rd. It was wonderful meeting Sister Judy Blake and Sister Carol Weber and learning about the wonderful things they do for our community like offering job coaching and support services through a sewing business that is "Stitching Lives Together".

*The N.E.W. Life Center provides life skills, education and workplace training empowering women and men to become self-sufficient*

# St. Luke N.E.W. Life Center

*“Stitching Lives Together”*

Sister Carol Weber

Sister Carol Weber worked with Sister Judy Blake and the parishioners of St. Luke Catholic Church doing street ministry in Flint. Their street ministry set up a flea market, taking used clothing and meals to those in need and during that time, heard many stories of plight of the women and children in the City of Flint. The questions began to form, “What can we do for these women to make their lives less desperate?”

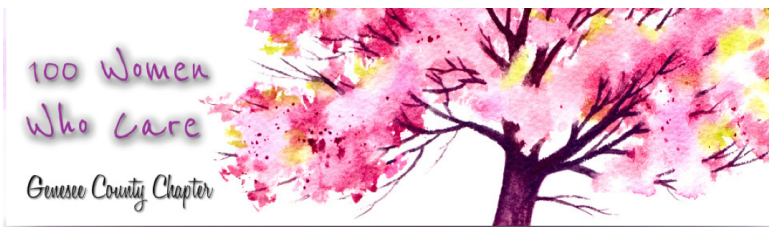

Sister Judy Blake

Through these experiences, they found that their mission was to help at-risk women and the St. Luke N.E.W. Life Center was created.

The St. Luke N.E.W. Life Center provides a safe environment for survivors of abuse and poverty. They give these individuals the access to learn and further their education with the help of their tutoring volunteers, along with teaching basic life skills to those who need it, encouraging them along the way and building their self-esteem, so that one day they become independent.
