The February 2016 Selection: Teddy Bear Patrol Project

We are proud to announce our first selection of 2016. The Teddy Bear Patrol Project. The program has been sponsored by the Grand Blanc Chamber of Commerce and the bears are made locally at the St. Luke N.E.W. Life Center, right here in Flint, Michigan. We are proud to donate \$3500 from 100 Women Who Care Genesee County Chapter to the Teddy Bear Patrol Project.

The donations will buy at least 500 bears to be circulated to police departments countywide.
